CLUB ETIQUETTE

Some general things to remember when playing bowls

- At the start of the game shake hands and wish everyone a good game
- Don't move or walk past the rink when someone is about to bowl towards you
- Try to stay 2 meters behind the mat and the head when at the other end
- Try to keep to the middle of your rink when walking up so as not to distract the next rink
- Be mindful of bowling on the hand next to the adjoining rink, just check to make sure they are not about to bowl also (or your bowls may collide)
- Always show good sportsmanship by acknowledging a good bowl by another bowler
- Never applaud lucky shots, never complain about lucky shots, and admit a lucky shot with good grace. Do not say thanks for a bad shot that goes your way
- Never make any negative comment (however pleased you may be) about an opponent's bowl
- Win or lose always shake hands at the end of the game and be gracious.
